

# Cold Water Caged Premium Series Gasoline Belt Drive

The Cold Water Premium Caged Series features a 1¼-inch roll cage, handle and lifting hook, making this pressure washer one of the most powerful on the market today.

3000 to 7000 psi

## Pump

- Belt drive triplex piston AR or General pump with ceramic plungers
- External bypass system allows more water into the system to protect from heat build-up
- Forged brass manifold
- Thermal and safety relief valves
- Water filter with clear sleeve for screen inspection (High capacity water filter on 3008)
- Stainless-steel and brass unloader with preset pressure

## Frame

- Powder coated steel frame with 1¼-inch roll cage, handles and lifting hook
- Flat-free tires and locking brake

## Engine

- Performace-proven engine with low-oil protection

## Components

- Fuel tank is powder coated outside and aluminized steel inside to prevent rusting
- 13-gallon fuel tank capacity for 9½ hour run time

## Unit Includes:

- Quick connect nozzles – 0°, 15°, 25° & 40°
- 50-foot x ¾-inch high pressure hose with quick connects, swivel and bend restrictors (5000 models have non-marking hose) (6004 & 7004 have a black hose)
- 50-foot x ½-inch high pressure black hose with quick connects (3008)
- Professional-grade insulated trigger gun with safety lock-off
- 48-inch lance with rubber grip
