

1700 Series

Cold Water Pressure Washers

North America's #1 Brand of High-Pressure Cleaning Equipment

Electric / Belt Drive

"ALWAYS CLEAN . . . ALWAYS ALKLEAN"

Quick disconnect nozzles are color-coded for quick and easy changing between 0°, 15°, 25°, 40° spray nozzles

50-ft. high-pressure, hose for easy maneuverability around a large working area

Belt-drive motor ensures a smooth and quiet-running machine

Tri-lingual labels provide operating instructions in English, Spanish and French

Zinc-plated, variable-pressure, dual-lance wand for remote detergent on/off

Model 1720 shown in optional Stainless Steel cabinet

Downstream detergent injection allows remote detergent application

Standard hour meter accurately tracks in-use service time

Hot water seal kit on pump accommodates incoming water up to 180°, an important feature for food processing facilities

Hotsy-designed Triplex pumps carry a 7-year limited warranty

The 1700 Series boasts a simple, yet extremely efficient, design. Cast-iron pulleys offer longer belt life. Belts are easily adjusted by turning two bolts. Notched V-belts provide cooler operation.

Model 1720 shown with optional wheel kit
